After school consultations

- Students are strongly encouraged to take the initiative to make arrangements to consult their subject teachers

Extended Study Programme

- From Term 4, additional academic support will be provided to prepare students for the National Examinations, beginning with the N-Level written papers.

- Sessions conducted after school daily from Week 1 to Week 5. Each session focuses on 1–2 subjects, with subject teachers providing targeted support and guidance.

- Students are strongly encouraged to attend regularly to cultivate discipline, consistency, and focused revision habits.

Academic Support Programme

- For selected students who did not pass core subjects and require closer monitoring.

- Conducted during the October study break in preparation for the O-Level examinations.

- Students will report back to school on assigned days to complete timed practices, building rigour, discipline, and exam readiness.
